

EDUCATION

Nanyang Technological University, Singapore
Bachelor of Computer Science

Aug 2025 - May 2029

- Strong interest in Cyber Security and AI

Chavara Public School, Pala, Kerala
CBSE CLASS 12 - AISSCE, 88%

Jun 2021 - Apr 2023

- Senior House Captain
- Senior Student Parliament Member

EXPERIENCE

Singapore Armed Forces - 1st Battalion Guards
Battalion Casualty Station (BCS) Medic

Jan 2025 - Aug 2025

- Served as a BCS Medic in a high-readiness battalion unit, delivering emergency care (trauma response, CPR/BCLS/AED, IV cannulation) and rapid patient stabilisation under operational conditions
- Trained and mentored 3 newly posted medics in patient assessment, achieving 100% AMPT pass rate
- Managed Rocky Hill Medical Centre operations, including triage, medication administration, daily treatment of 40–50 personnel, and mass vaccination operations for 400+ personnel with full protocol compliance.

Singapore Civil Defence Force (Kallang Fire Station)
Emergency Medical Technician (Medic Attachment)

Jun 2024 - Dec 2024

- Selected from SAF medic cohort and seconded to SCDF for advanced operational exposure due to outstanding performance
- Operated with 995 emergency ambulance crews, delivering pre-hospital emergency care in high-pressure emergency environments
- Conducted patient assessment, stabilisation, and resuscitation across 30+ emergency standby calls, coordinating with paramedics and 5+ hospital teams to ensure accurate handover and continuity of care.

Uniqlo
Part-Time Retail Associate

Aug 2023 - Nov 2023

- Administered sales operations and front-of-house workflows in a high-volume retail environment
- Managed product stock and inventory operations, including tracking, replenishment, and organisation
- Analysed customer and product feedback to improve customer satisfaction and inform product development suggestions
- Maintained high service standards through effective customer interaction and issue resolution
- Voted Best Customer Service Award (October 2023) for consistent service excellence
